MATCH A WHISKY TO YOUR TASTE

SCOTTISH WHISKY

Scottish whiskies are among the world's most revered spirits. There are varying styles, though all can be delectable masterworks in their own right. Some are flavoured heavily by peat and smoke, others are light and fruity. Coastal whiskies are often flavoured by the sea and a refined salinity can be found. There is always a sweetness; sometimes in omnipresence, sometimes lurking in the substrata.

The profusion of Scotch distilleries is such that it is difficult, and unwise, to make broad generalisations. To truly master the subject, one must first embark on a lifetime's journey - a journey of knowledge, history and experience.
