

WELCOME TO VITTORIA

I am delighted to introduce our latest wine list for Vittoria - we've been working hard to bring you the best wines from across Italy and our wine list is now better than ever.

We have added some superb new wines, including the fabulous Soave Sereole & Amarone from the Bertani winery, located in Veneto; and, in addition, we have expanded our range of wines by the glass including a number of premium wines.

We make regular visits to wineries to meet with winemakers, and have forged strong relationships with them, to ensure that we bring you the highest quality and widest selection of wines available. As such we are confident of the origin of our wines and pride ourselves on offering superior wines which offer value for money.

If you are not sure what to order, then please ask a member of the team. They are well-versed on the wines that we offer and are always eager to advise and offer recommendations.

Our philosophy is simple... to offer wines sourced with an eager eye for provenance and quality, offering a genuine taste of Italy and experience!

Salute!

Tony

Special Selections

At Vittoria we want to ensure that you don't miss out on the opportunity to discover the very best wines available and we regularly supplement our wine list with 'special selections'.

In association with our wine team, we work hard to source small parcels of outstanding wines where there is only limited availability.

Whether you select a bottle or indulge with a magnum, these fabulous wines can only enhance your dining experience. Just ask the team what special gems we have hidden away.
